1:00 - 4:00pm

Students,

This is just a short note to let you know, in advance, the dates of our All-State Choir Workshop this summer. This will be our 25th camp. Over the years, we have had many singers go on to make the Region Choirs, Area Choirs and All-State Choirs. This past year was no exception. I think that this workshop is very valuable for many reasons: it is held locally; the cost is considerably lower than other camps; the directors are outstanding musicians and teachers; the sections are small enough to provide individual attention to the singers; we are supported by many of our area schools and directors; we are dedicated to help you learn the music and prepare you for your upcoming auditions; and we try very hard to make this a productive yet still fun experience for all.

You are receiving this notice because you have previously participated in our workshop. I know you are probably getting your summer activities on the calendar now. Hopefully, you will join us again this year. I have included the Registration Form in this e-mail. Please let me know if you cannot open the attachment and I will send it another way. **Registration will start May 1st and the deadline for registration will be July 8, 2019.**

I look forward to working with you again. Please let me know if you need any additional information.

Sincerely,

Woody Christman
